

1-MINUTE* CHOCOCHIPS MUG CAKE PREMIX

Just add
oil & water!

**A Fresh, Indulgent
Chocolate Dessert—
Prepared to Order in
Just One Minute.**

Net Weight: 1 kg

Warm, soft and loaded with chocolate appeal, **SOOPER** 1-Minute Chocochips Mug Cake Premix enables cafés, hotels and foodservice operators to prepare individual chocolate cakes quickly and consistently. Simply portion the premix, add water and oil, mix and microwave. No baker, complicated preparation or advance baking is required. Serve it directly in a mug, bowl, cup or any suitable microwave-safe container—and finish it with chocolate sauce, ice cream or your choice of toppings.

Just Add Premix + Water + Oil

Premix

Water

Oil

Mix.

Microwave.

or container.

Turn a Simple One-Minute Preparation into a Fresh, High-Value Dessert Order.

From Premix to a Warm Chocolate Dessert in Three Simple Steps

1 Measure

Place the following in a 150 ml microwave-safe container:

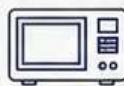

2 Mix

Blend thoroughly with a spoon or small whisk until the batter is smooth and uniform.

3 Microwave

Microwave for approximately 1 minute. Allow the cake to cool briefly.

Add the desired sauce, topping or accompaniment and serve warm.

i Microwave performance may vary according to wattage, portion size, container shape and operating conditions. Adjust the heating time where required.

Richer Preparation Options

- Replace water with milk.
- Replace refined oil with melted butter.
- Scale the recipe for larger portions.
- Prepare the mix in different microwave-safe serving containers.
- The product may also be baked in a convection oven, OTG or conventional oven. Baking time and temperature will vary according to the equipment, container and portion size.

Menu Ideas

Classic Chocochips Mug Cake
Serve warm with chocolate sauce and extra chocolate chips.

Mug Cake à la Mode
Top with vanilla ice cream and chocolate drizzle.

Chocolate Celebration Dessert
Finish with whipped cream, sprinkles and a chocolate decoration.

Brownie-Style Dessert Bowl
Serve in a shallow bowl with warm fudge sauce and nuts.

Café Dessert Combo
Pair with coffee, hot chocolate, a frappe or a milkshake.

Hotel Room-Service Dessert
Serve warm on a tray with ice cream, sauce and a beverage.

Equipment Required

Microwave oven

Microwave-safe mug, bowl, cup or container

Measuring scoop

Spoon or small whisk

Commercial microwave preparation has been tested.

Commercial Advantages

Freshly prepared on demand
