

SOOPER SLUSHIE MIX

**Turn Ice-Cold Water
into a Vibrant
Frozen Beverage**

One simple mix. Five electrifying flavours.
Endless frozen refreshment.

SOOPER Slushie Mix is a complete two-component frozen beverage solution for fast-moving foodservice counters.

Each pack contains the powder mix and liquid flavour component. Simply add pre-boiled and chilled water, blend and transfer to a compatible frozen-beverage machine.

No additional sugar syrup, flavour or colour is required. Ideal for high-footfall outlets looking to serve visually exciting frozen drinks with minimal preparation and staff training.

KEY BENEFITS

Just add ice-cold water

Fast and easy batch preparation

Complete powder-and-liquid preparation kit

Minimal staff training required

No separate sugar syrup required

Suitable for compact and live counters

Consistent flavour, sweetness and colour

12-month ambient shelf life

FIVE ELECTRIFYING FLAVOURS

BLUE THUNDER – Blueberry Flavour

GOLDEN GLACIER – Passion Fruit Flavour

GREEN GALAXY – Green Mango Flavour

ORANGE SPLASH – Orange Flavour

RED BOLT – Strawberry Flavour

IDEAL FOR: Slushie Kiosks | QSR Chains | Cinemas | Amusement Parks | Gaming Centres | Cafés | Food Courts | Hotels | Restaurants | Cloud Kitchens | Caterers | Distributors | Importers

Create an attention-grabbing, high-margin frozen beverage menu with one easy-to-use system.

VIBRANT COLOURS. CONSISTENT TASTE. FASTER SERVICE.

APPLICATIONS, PREPARATION & BUYER INFORMATION

One Mix. Multiple Frozen Beverage Opportunities.

1 PRODUCT APPLICATIONS

Classic slushie beverages	Mocktail-style frozen drinks	Cinema beverage counters	School and college canteens, where permitted	Banquet and catering counters
Frozen soft drinks	Layered multicolour slushies	Amusement parks and gaming zones	Hotel poolside beverage service	Cloud-kitchen beverage menus
Ice-blended beverages	Café and QSR beverages	Food courts and mall kiosks	Restaurant beverage menus	Live beverage counters
Slushie cups			Seasonal summer promotions	

2 EASY FIVE-STEP PREPARATION

- Add Water** – Take 2 litres of preboiled and thoroughly chilled water in a clean container.
- Add the Liquid Component** – Pour in the complete contents of the liquid bottle supplied inside the pack.
- Add the Powder Mix** – Add the complete contents of the powder component.
- Blend** – Blend with a hand blender until the mixture is smooth and completely dissolved.
- Freeze and Serve** – Transfer the prepared mixture to a compatible slushie, granita, soft-serve or frozen-drink machine. Serve ice-cold.
